## MILEAGE, MEAL AND RIDER FEE PAYMENTS FOR ALL CONTESTS

Officials' expenses for regular season and play-off games/matches in all sports:

- (1) Reimbursement of an official's expenses (meal or per diem) is based on one-way mileage intended to reach the site of a game/match/event is as follows:
  - 51 miles to 150 miles=one meal @ \$10
  - Over 150 miles=two meals = \$15
- (2) Per diem (where applicable) is \$75 per day providing the official spends the night.
- (3) Mileage is paid at the rate of **\$.405** per mile round trip from the official's hometown (*new, effective July 1, 2009*).
  - a) EXCEPTION: If an official chooses to affiliate him/herself with a group from outside of his/her hometown where a local group exists, they will not be paid mileage from their home town. For example, if an official lives in Alamogordo but chooses to officiate with the Las Cruces association rather than the Alamogordo association, he/she would NOT be paid mileage from Alamogordo to Las Cruces for the game because he/she has made the choice to officiate outside of his/her home town, where a local group exists.
  - b) Only ONE driver will be paid for each contest. This will be paid to the official on the crew who travels the furthest. Issues with multiple drivers must be solved between the officials and the assignor prior to the game. For example, if a game in Carlsbad is being officiated by an official from Loving and an official from Artesia, the mileage may be split between the two officials. It is the responsibility of the crew chief to notify the school of the split mileage or the officials can work out splitting the mileage on their own, which has been a practice for officials for quite some time.
- (4) A rider fee of \$10 is paid to officials who are riding (non-drivers only) on trips of 51 miles or more one-way.
