

STANDARD UNIFORMS FOR MEMBERS OF THE NEW MEXICO OFFICIALS ASSOCIATION

The following represents the standard required uniforms for officials in the New Mexico Officials Association. Any modification to or deviation from these uniform standards must be petitioned, in writing, to the NMAA Executive Board through the State Commissioner of Officials. Some modifications for members of a local association (i.e., American flags on uniforms or commemorative patches) may be approved via written request to the Commissioner of Officials.

BASEBALL

1. **Shirt:** Clean, pressed, collared shirt. New Mexico allows umpires to wear umpires' shirts in the following colors: light blue, navy blue, black and cream. The NFHS navy blue pullover is also allowed for cold weather games. All umpires on the same crew must wear the same style and color of shirt for a given game. A light blue turtleneck may be substituted for a shirt when wearing a coat. If an undershirt is worn under a light blue shirt, it may be navy, red or black if the undershirt is visible. A navy blue sweater (worn on bases only), blazer, windbreaker or windshirt worn over the appropriate shirt is acceptable. Long-sleeved shirts worn underneath the collared shirt are not acceptable except for umpires who have medical conditions which require the use of long-sleeves. This must be approved in advance by the NMAA office.
Added language January 2017: Umpires are also permitted to wear the new style of baseball shirts with the band of color down the side of the shirt and on the sleeves (same color restrictions as above). All umpires on the crew must wear the same color and style of shirt.
2. **Pants:** Clean and pressed heather gray slacks. Because different manufacturers have different colors of "heather" gray, any manufacturer's heather gray color will suffice.
3. **Hat:** Navy blue or black, preferably sized. Umpires must always wear a hat on the field.
4. **Belt:** Black leather belts are to be worn.
5. **Shoes:** The plate umpire should wear shoes designed for safety that include hard toes. The base umpire should wear the conventional oxford type baseball shoe or black oxfords with golf type cleats or ripple soles. Primarily black shoes designed for umpiring should be worn.
6. **Socks:** Socks may be navy blue or black.
7. **Accessories/Protective Equipment:** The plate umpire needs to have a ball and strike indicator, a small whisk broom, a protective supporter and cup, ball bag (may be black, grey or navy), lineup cards and a pen or pencil for lineup changes. A chest protector, sturdy mask (with a mandatory throat protector) and shin guards are standard equipment for a plate umpire.

If the shorts have belt loops, a black belt as described below is required.
 - Football officials may wear black pants for any contest. Pants may be worn with either long-sleeved shirts or short-sleeved shirt (or jackets) and black socks must be part of the uniform if black pants are utilized. Each crew is given the authority to choose whether or not they will utilize black pants. *(Effective January 2012)*
 - Football officials may wear black shorts at any level, with the approval of the local association. Each local association is given the authority to choose whether they will utilize black shorts, white shorts or if they will not allow the use of shorts at all. *(Effective January 2011)*
