

Officiating Basketball

Officiating Basketball is an online course designed to assist individuals in becoming better officials and improving the experience for student athletes and for spectators. The course covers fouls against the ball handler, screening, post play, block/charge, intentional fouls, technical fouls, and a general overview of characteristics that help to make a person a better official. Officiating Basketball provides insight into the mechanics of making a correct call and shows examples of high school games to illustrate when calls should be made.

Course Objectives

- Understand the basic traits of a quality basketball official.
- Identify situations of contact which need to be called during a game.
- Promote consistency in calls at any point in the game.
- Provide examples of high school games where various forms of contact are present.

Units
