Compete with Class

Monday, July 08, 2013

Under the tenets of Compete With Class, all stakeholders are an integral part of the education-based athletic and activity experience for our student-athletes. Everyone has a role and it is vital that all entities understand their responsibilities in the Compete With Class initiative. The curriculum of Compete With Class and the roles of each stakeholder can be found at the link below:

http://www.nmact.org/files/CwC_Curriculum.pdf

GROUP LEADERS/ASSIGNORS: Please ensure that you integrate the Compete With Class curriculum into your weekly group meetings!
